

# Rising Alt-Pop Maverick Christian French is Back And “breaking all the rules” on Brand New Single

*Roll the windows down, throw your worries away, and turn up this groovy pop gem*

LOS ANGELES, CA, USA, April 19, 2019 /EINPresswire.com/ -- As he continues to gain steam and turn heads worldwide, 22-year-old alternative pop singer-songwriter [CHRISTIAN FRENCH](#) shares his latest single entitled “[breaking all the rules](#)”.

The track hinges on hummable acoustic guitar and intercuts with a seesawing clean riff, the verses unfold into personal confessions a la, “I’ve been doing fine waking up on worn out couches, staying up all night.” Everything climaxes on an unshakable hook that encouragingly empowers “breaking all the rules.”

Of the single, Christian commented, “This song is inspired by having a fresh take on life. You’re finding out life is meant to be enjoyed in the present moment and discovering happiness doesn’t come from money or material possessions. Rather, it comes by experiencing and consciously following love and positivity through everything life throws at you. Essentially, you’re ‘Breaking All The Rules’ of what you’ve been told to do all your life.”

This carefree, groovy release arrives hot on the heels of his recent single “Heavy Snow,” which quickly nears the half-million mark on Spotify. Emotionally charged with swells of instrumental buildup and layers of pitched-down vocals, Christian creates a dense, yet raw sonic landscape and a feeling of gravity on his personal struggle with anxiety.

Christian just wrapped his tour with Quinn XCII, and will release the music video for “Breaking All The Rules” soon along with new music every month. So, stay tuned!
