

# Oberammergau - Passion Play 2020

*The Travel Event of the Decade*

REDLANDS, CALIFORNIA, UNITED STATES, April 26, 2019 /EINPresswire.com/ -- George & Marlys Aballi Owners of the Award-Winning Connection To Cruise Travel agency just toured the beautiful Oberammergau Bavarian hamlet and are reporting that preparations are underway for next year's 2020 [Passion Play](#) in the tiny Bavarian hamlet of Oberammergau.

The original performance dates back to 1634. During the Thirty Year War, Oberammergau was spared the Black Plague and for this reason, the citizens vowed that every ten years they would give a play to honor the last days of the life of Christ.

The performers are all native to the village. To lend authenticity the cast starts to grow their hair and beards more than a year in advance.

"Even though the performance in 2020 may seem like a long way away, but the excitement is already building for the next production" says George Aballi.

Demand for tickets is very high and space on most tours are very limited already.

“

We offer tours that include Oberammergau year-round, and having just visited, we know the destination.”
