

# Defence Aviation Safety Experts to Convene in London Next Week

*SMi Group Reports: The Defence Aviation Safety Conference will take place in London on the 29th and 30th April 2019.*

LONDON, UNITED KINGDOM, April 25, 2019 /EINPresswire.com/ -- With less than one week to go, this is the last chance to secure attendance for the highly anticipated, [Defence Aviation Safety Conference](#) taking place in London on the 29th and 30th April 2019.

Featuring an in-depth focus on mutual recognition of air platforms and systems covering the spectrum of Fast Jet, Fixed Wing, Rotary, and UAS. The agenda boasts 24 speakers from safety regulators, operators and leading industry safety providers, including 5 essential briefings from the UK MoD, showcasing the very latest strategies and technologies being used to enhance aviation safety.

[Supported by The Defence Safety Authority \(DSA\), UK MoD](#), this event will host the most senior leaders and safety practitioners from around the world.

Key topics will include:

- Designing and maintaining safe air systems including the role of certification in each
- Ensuring and assuring safe operation of air systems
- Weapons safety and integration
- Safe integration and certification of systems-of-systems
- How military and industry can work together to apply standards more effectively to reduce the cost and length of the certification process
- Mutual recognition and the shared use of available evidence
- Certification requirements at different stages of a system's lifecycle
