technology service provider, announced today it is one of the sponsors of ServiceNow®'s flagship Knowledge19 Conference in Las Vegas. The Knowledge19 conference is scheduled to hit the floors on May 5 to 9 at The Venetian in Las Vegas, Nevada. Aspire will be launching [ITOM 360](#) – a Top-notch ITOM Implementation Approach in Booth #622 to help ServiceNow customers achieve ITOps maturity using the platform.

Knowledge conferences are once in a year flagship events focused on CIOs, IT Executives and IT professionals to learn, connect, and get inspired by ServiceNow visionaries, customers, and partners. This year it hosts over 18,000

attendees and 130+ hands on labs. Aspire is looking forward to have thought provoking sessions with delegates on how to enable ServiceNow's ITOM modules to resolve their day to day IT operation challenges.

Aspire is sponsoring Knowledge conferences for the fourth consecutive time this year. Though its primary focus is on launching ITOM 360, they are also presenting their key capabilities around PPM, GRC, SecOps, CSM, and HR solutions. ITOM 360 is Aspire's proven strategic approach they advocate to their customers, it helps organizations meet their end-to-end IT Operations goals spread across different phases - Discovery, Service Mapping, Event Management and Correlation, Orchestration, and Cloud Management.

"We are very happy to sponsor Knowledge19 and excited to meet the industry thought leaders in the conference and discuss the challenges and best practices that are shaping up the ITSM, ITOM and ITBM domains. We are also thrilled to launch ITOM 360, our flagship approach to achieve ITOps Maturity. We believe our approach to [ServiceNow Implementation](#) will help ServiceNow customers to achieve service-level and business-level maturity to meet today's Enterprise Service Management needs" said Srinivasan Ramasamy, Vice President - Infrastructure and Application Services, Aspire Systems.

Aspire invites attendees to its booth #622 to participate in the launch of ITOM 360 and take away the best practices. Registrations for one on one sessions and demonstrations are open for Knowledge19 attendees [online](#).
