Christian Faith Speaker Amy Blackwell Signs Book Publishing Contract With Creative Life Publishing and Learning Institute with Tricia Andreassen as CEO.

CHARLOTTE, NC, USA, April 25, 2019 /EINPresswire.com/ -- The debut book in the Christian Faith Genre for the female target audience is slated to be out late summer to early fall of 2019. The purpose of Blackwell's first book is to share her personal story of overcoming life struggles and labels. "I want to show that no matter what or who you are, NOTHING can stop Gods plan." Comments Blackwell. My testimony proves that we are never too broken and hopeless for our Heavenly Father to come in and do a new work in us. As I began to get help and let Him work in me the transformation happened. I also want to let the reader know that someone who lacks education and battles social anxiety can still make a difference."
