

The Dan Smolen Experience Launches New Future of Work Website, Home to The Tightrope with Dan Smolen Podcast

Destination provides work-seekers tools and thought-leadership needed to pivot to meaningful work and careers.

WASHINGTON, DC, UNITED STATES, April 29, 2019 /EINPresswire.com/ -- Today, The Dan Smolen Experience, LLC., a Virginia-chartered limited liability "future of work" company that helps professionals of all ages and levels of expertise create meaningful work for themselves and others, officially launched its new website.

Designed by Gresham Harkless, Jr. of <u>Blue16Media</u>, the destination provides work-seekers, from the late Baby

Designed by Blue16Media, The Dan Smolen Experience website also hosts The Tightrope with Dan Smolen podcast.

Boomer, Gen X, Millennial and Plurals/Gen Z generations, the tools and thought-leadership that they need to pivot their careers to meaningful work—work that is profound, protects the planet, helps people and communities, and is fun to do.

"As a successful podcaster, Gresham immediately understood what we needed to achieve: a brilliant web presence that allows our four-generation audience to access our site in a way that suits them best; some seek quick access to our content and value, while others prefer a more leisurely paced deep-dive exploration. Gresham created for us a user experience that seamlessly connects our mission to our ever-expanding library of content."

Most importantly, the new DanSmolen.com site allows users to access all thought-leadership in one place—including current and past episodes of The Tightrope with Dan Smolen podcast.

"With the new website, The Dan Smolen Experience gains a platform to define the "future of work" narrative around doing meaningful work that makes a positive difference in the world and in the lives of others," adds <u>Pivoting Strategies</u>, <u>LLC</u> CEO, and The Dan Smolen Experience's Chief Brand Officer, Carla A. Fleming. "Most of our audience connects with us over their mobile devices, and, the new website provides an optimized experience for those people on-the-go."
