Tim Conn, Image One President and Co-Founder

“Image One is a franchise opportunity that supports our franchisees in building a commercial cleaning business they can call their own,” says Image One President and Co-founder Tim Conn. “We have been honored with consistent recognition from Franchise Business Review for being a leading service-based franchise system. This recognition underscores the value we put on supporting franchise owners every step of the way.”

Image One's franchisees were surveyed on 33 benchmark questions about their experience and satisfaction regarding critical areas of their franchise systems, including training and support, operations, franchisor/franchisee relations, and financial opportunity.

“One of the most common myths around buying a franchise is that it's too expensive. What most people don't realize is that there are many low-cost opportunities available that can provide the

satisfaction and perks of business ownership, without requiring a huge financial investment,” says Michelle Rowan, president & COO of Franchise Business Review. “The low-cost franchises that made this year’s list have all been rated highly by their franchisees and are excellent options for entrepreneurs considering franchise ownership.”
