DUBAI, UAE, April 30, 2019

/EINPresswire.com/ -- There are very few people under the age of 25 who do great things and achieve great milestones that many older people haven't yet achieved.

[Hamdan Al blaushi](#) is a permanent resident of Dubai UAE and is 25 years old. He is a popular Arabic singer in his area as well as in many other areas in the Gulf. He is also a music composer and creates his own musical compositions. He is not only a singer but also a rapper, music composer and social worker. Hamdan always looks forward to opening new horizons with his songs. He's already a well-known singer and songwriter in his homeland of Dubai UAE. Nawi ala alforga, the latest song he's promoting, has some type of EDM influence, keeping up with the same level as the current hits on his new dance-pop charts.

Hamdan spent his entire childhood in UAE and Iran in a state of complete introversion.

'I was very shy and never showed up on stage until my 7th standard. Slowly, I pushed myself into social gatherings more and started to wander from narrow to wider lanes and pathways of Kohalpur.'
