

Zmest Marketing Agency launches advantageous marketing offer for startups

Zmest, a marketing agency specializing in content advertising, PR and social media marketing services, announced a new offer developed especially for startups.

MINSK, BELARUS, May 2, 2019 /EINPresswire.com/ -- [Zmest](#), a marketing agency specializing in content advertising, PR and social media marketing services, is excited to announce a new offer developed especially for startups. It is a 1-month marketing service that includes:

- SMM (3 publications a week in FB, [LinkedIn](#), Instagram, Twitter)
- Release text creation and spreading
- Journalists pitching
- Make some noise (info spreading in FB)

14% of startups fail because of poor marketing. Some companies believe that their product is so cool that it's no need to promote it; others rely on their own resources but lose out due to lack of experience and knowledge. Zmest's new Energy Blast service is called upon to solve businesses' marketing issues.

Using this offer and spending just \$2,000, startups will get:

- Growing community
- Increasing brand awareness
- Publications that are indexed by Google and Yahoo
- Rising sales

We launch our Energy Blast service to help businesses to find target audience and obtain success."
Alex Serzhanovich, Zmest CEO

"We see that a lot of wonderful innovative projects have entered the market in recent years. They offer really important and effective products that can make a difference and change our lives for better. Unfortunately, the overwhelming majority of startups cannot clearly bring their ideas to the public and gain popularity due to poor marketing, which makes them shut down. We launch our

Energy Blast service to help businesses to find the target audience and obtain success," the Zmest team states.
