*Illinois watchmaker creates special watch featuring Team Rubicon logo*

CHENOA, ILLINOIS, UNITED STATES, May 2, 2019 /EINPresswire.com/ -- Minuteman Watch Co., a leader in American-born hand-crafted wristwatches, is raising money and support for the brave men and women who help save lives as emergency responders across the globe with the nonprofit Team Rubicon by crafting a special watch in their honor.

The Minuteman Team Rubicon A11 is a watch built to honor the spirit of selflessness and comradery exhibited by the military and its veterans, who continue to serve long after their tours of duty are over by partnering with Team Rubicon. Team Rubicon's emergency response teams respond to disasters to help the afflicted throughout the country and the world.

The Minuteman Team Rubicon A11 honors the men and women who help Team Rubicon help others.

The Team Rubicon A11 pays homage to the brave veterans who volunteer for Team Rubicon by including a monochromatic Team Rubicon logo on the watch face. In addition, a portion of each Team Rubicon A11 sold goes to support the Team Rubicon mission of serving vulnerable and at-risk populations affected by disasters.

“

Pride, precision, dedication and compassion – that's what goes into each Minuteman watch, and that's what the men and women of Team Rubicon share with the world.”

*Thomas Carey, Owner,  
Minuteman Watches*

“Many of the volunteers who join Team Rubicon are veterans,” says Minuteman Watch Co. Founder Thomas Carey. “When our customers look at their watches, we want them to see more than just the time. We want them to see what makes this country special. Pride, precision, dedication and compassion – that's what goes into each Minuteman watch, and that's what the men and women of Team Rubicon share with the world.”

The Minuteman Team Rubicon A11 watches are currently on sale for the price of \$210. A portion of the profits from each watch will be given to the Team Rubicon chapter in

the country where the watch is purchased.
