The Promise

Although *The Promise* is the author's debut novel, there is already a great deal of interest in the book. Described by Chick Lit Café Books & Reviews as "a great read and an author to watch," this contemporary romance is the heart-wrenching first book of the Lovecarnation Trilogy, a thought-provoking series about fate, destiny, and the timelessness of true love.

“

Definitely a great read and an author to watch.”

The story focuses on 25 year-old Rohan Rai, an Indian-born workaholic who is ruthlessly determined to climb the corporate ladder at the U.S. bank where he works. When he meets Shona, a happy-go-lucky Irish girl who enjoys living life to the fullest, Rohan finds himself turning into a different man...for a while, at least, until old demons return

to haunt him, forcing him to choose between his ambition, his responsibilities and love.

Emotionally complex and gripping, author RKC Puthran has produced an unforgettable story of the transcendental power of love.

## About the Author

Author RKC Puthran was born and raised in India, where as a young man he was passionate about writing but had no choice but to work in a variety of unsatisfying jobs in order to pursue

his studies. With determination and hard work, he rose through the ranks in the banking and finance industry, and moved to London. He finally migrated to Ireland along with his wife, and settled down with a full-time job in a bank.

With his continued love of writing, RKC wrote short stories but he never submitted them for publishing. He however submitted articles to newspapers and got published. He also co-authored two non-fiction books without getting credit, because his ultimate dream was to see his name on the cover of his own novel.

That dream has now been realized with the release of The Promise.
