CountingWorks PRO and Succentrix Business Advisors are helping accountants grow and succeed in the digital age, and by combining forces empower clients to grow their practices at an exceptional rate.

"Accounting firms are being disrupted by two forces, software automation and the way business owners

research and choose whom to do business with" stated Lee Reams II, CEO of CountingWorks PRO. "Succentrix brings in proven processes and a model to succeed as an accounting firm, we back it up by getting our accounting firms found online."

CountingWorks PRO's marketing automation platform, helps clients build their digital footprint and maintain their reputation, while Succentrix has the system and processes in place to make it easy for an accountant to open and grow their own profitable "turnkey" business. Together, a trained customer success team gets accounting practices up and running fast—usually in 30 days or less.

Alan Padgett, owner of Succentrix, has this to say about the partnership: "Succentrix Business Advisors is the leading franchise in America for accounting and tax professionals who seek to serve independent business owners in their community. CountingWorks PRO is the most robust platform for accountants and tax specialists bar none. Together, CountingWorks PRO and Succentrix Business Advisors are a formidable team. The home office leadership, at Succentrix Business Advisors, embraces CountingWorks PRO because it recognizes that owners who utilize the CountingWorks PRO system are well positioned to take their business to the highest level."

This partnership is already proving to be extremely valuable for clients. CountingWorks PRO has launched over 40 Succentrix websites to date, and is aiding clients in areas such as reviews, reputation management, social media posting, and nurturing leads.

Veronica Sas is a Succentrix franchisee who has been experiencing the power of this partnership firsthand: "I have been using CountingWorks PRO for over a year now. It not only provides a great looking website, but the monthly newsletters are informative, relevant and allow me to stay in touch with my clients year-round. I have seen my business grow tremendously as a result of having an up to date, industry-specific website and the relevant publications that can be linked to social media and sent through email distributions!"

CountingWorks PRO looks forward to many more successful engagements with Succentrix franchisees in the months to come.
