

Cook Custom Homes Inc., Leader in Home renovations Launches a Redesigned User-friendly Website

Cook Custom Homes Inc., most rated custom home builders in Calgary has unveiled its easy-to-use and highly informative website

CALGARY, AB, CANADA, May 20, 2019 /EINPresswire.com/ -- Cook Custom Homes Inc., one of the most notable [Luxury home builders Calgary](#) has seen in recent times has launched a completely redesigned website. The new site comes at a time when the digital era requires website designs that not only serve to display a company's products or prices and their prices, but also have exceptional features for ease of navigation, while at the same time offering enough information.

Calgary's Premier Custom Home Builders

The redesign included enhancements in the previous design's aesthetic to create a more engaging user experience and improved navigation for ease of finding information. In addition, the revamped focuses on the website's functionality and includes additional information aimed at addressing visitors' possible concerns.

“

The enhanced navigation, access to more information, and improved functionality will go a long way not only in the growth of our business but also in serving our customers and prospects much better”

Brian Cook

With the new website, it is now easy for visitors to browse through the company's services, sample a few of their upcoming projects, completed projects, see what past clients are saying, as well as get in touch much faster and easier.

“The building, construction, and remodeling sector are constantly changing. New designs are coming up, and to be relevant to any client, it is important for home builders to illustrate their capabilities from the onset. We care about our clients and prospects and that is why we

planned on redesigning our website to make it easy for them to make their decision because every aspect of our business and our portfolio is readily available for comparison. Our aim was to enhance the functionality of the website, ease of use, as well as provide as much information to the visitors as possible,” said Brian Cook, President of Cook Custom Homes. “It is my joy to launch the new website. Our goal is that the redesign will play a significant role in reinforcing Cook Custom Homes as the best luxury home builders in Calgary.”

Cook Custom Homes Inc. is one of the most reliable [Calgary home builders](#). Led by Cook, who along with it have over 36 years of experience delivering on the needs and demands of different homeowners, Cook Custom Homes remains your preferred partner in any form of renovation.

"The enhanced navigation, access to more information, and improved functionality will go a long way not only in the growth of our business but also in serving our customers and prospects much better", said Cook.
