

BUILT LAUNCHES LUXURY SCAVENGER HUNT: FOOS GOLD

BUILT, a custom furniture and design studio in Tampa, is hosting a citywide scavenger hunt on June 1, 2019 from 8 A.M. - 4 P.M.

TAMPA, FLORIDA, UNITED STATES, May 6, 2019 /EINPresswire.com/ -- BUILT, a custom furniture and design studio in Tampa, is hosting a citywide scavenger hunt on June 1, 2019 from 8 A.M. - 4 P.M.

This isn't your average scavenger hunt. It's a quest that ends with one luxurious prize: a handmade Foosball Table designed and manufactured by BUILT, valued at \$6,000. The Foosball Table will be one of several items in BUILT's first furniture product line, slated to launch later this year.

The catch: participants must provide their email and follow BUILT on Instagram to gain access to the game. After they've registered, participants will work in teams (of two to five) or independently to solve a series of interactive clues based in downtown

Tampa. BUILT will also award 2nd and 3rd place prizes, in addition to giving away some pretty awesome event t-shirts, while supplies last.

The hunt is inspired by BUILT's Founder, Andrew Watson, who had a perpetual love for pirates as a child. Today, he's still in love with treasure, but instead of hunting for it he's crafting it with a small team of creatives, architects, and makers in the form of high-end furniture.
