

# China to Mars, Neal's Health Choices, NZ Assault Gun Ban, & Radio on Mueller-Trump-Biden by Fmr WH spksmn Weiner & team

WASHINGTON, DC, UNITED STATES, May 6, 2019 /EINPresswire.com/ -- Former White House spokesman Robert Weiner has written three recent top ranked articles with John Black and Ben Lasky this week: first, co-written together with policy analyst John Black, in the Orlando Sentinel, China's upcoming Moonbase to Mars could beat the U.S. to the Red Planet. Second, by Weiner and Ben Lasky in LaborPress, states that Chairman of the House Ways and Means Committee, Richard Neal, must choose between Medicare for All (or for More) and fixing the Obamacare exchanges, or combine both, to fix health care and also satisfy the new House makeup. Third op-ed, by Weiner and Black, in the New Zealand Herald (#1 in New Zealand), asserts that New Zealand's banning assault weapons six days after its mass shooting is a lesson to the US. Also below: Weiner interviews this week on The John Fredericks Radio Network, The Rick Smith Show, LBC Radio (#12 in Britain) and The Alan Nathan Show's 200 stations on Main Street radio to discuss Weiner's three new opeds as well as President Trump, the Mueller Report, and the election.

Op-eds

\*\*\*May 2, 2019: "China is headed to the moon and Mars, and we need to catch up" in the Orlando Sentinel by Robert Weiner and John Black

Weiner and Black begin, "State-run Beijing News recently announced that China will begin work on a moon base within the next decade, in preparation for manned missions to Mars."

They continue, "President Trump and Vice President Pence have demonstrated interest in a U.S. Mars expedition. \*\*\*April 25, 2019: "Neal's Hard Choices On Healthcare To Lead Top Issue" in LaborPress by Robert Weiner and Ben Lasky

Weiner and Lasky begin, "Workers and unions have always understood that they will be the ones paying for healthcare for families if the government does not. Right now it's a mess where the USA pays twice the cost of other civilized countries. Health costs are the #1 reason for private bankruptcies."
