

The Global Medical Devices Market Is Expected To Grow At A Rate of 5% To 2022

The Business Research Company offers Medical Devices Market By Type Of Product, By Trends And Market Size – Global Forecast To 2022 to its research database.

LONDON, GREATER LONDON, UNITED KINGDOM, May 7, 2019 /EINPresswire.com/ -- The global [medical devices market](#) reached a value of nearly \$424 billion in 2018, having grown at a growth rate of around 5.5% in the historic period, and is expected to grow at a growth rate of nearly 5% to above \$520 billion by 2022.

Growth in the medical devices market in the historic period resulted from rapid growth in elderly population, strong economic growth in emerging markets and declining oil prices. Factors that negatively affected growth in the historic period were government regulations and skilled workforces' shortages.
