“

We welcome Olive Tree Ventures to Hygieacare. Their investment and partnership will greatly support our commercialization efforts to significantly accelerate the expansion of Hygieacare's footprint.”

Gavriel D. Meron, chairman, and CEO of HyGleaCare.

“We welcome our new partners Olive Tree Ventures to Hygieacare. Their investment and partnership will greatly support our commercialization efforts to significantly accelerate the expansion of Hygieacare's footprint,” says Gavriel D. Meron, chairman and CEO of Hygieacare. “We are excited at the prospects of growing our business, investing the funds received in establishing numerous Hygieacare Centers, achieving growth in revenue and profitability and increasing the value of our Company.”

Alejandro Weinstein, principal partner at Olive Tree Ventures, says: “We are very excited to partner with Gabi and Hygieacare to expand the footprint of Hygieacare Centers in the US and worldwide. The clinical data, patient satisfaction and size of the market, reflect on significant

potential, which we expect to leverage on for the benefit of all stakeholders. At Hygieacare we have now the resources, the talent and the motivation to deliver on the strategy.”

About Hygieacare, Inc.

In 2015, Gavriel Meron, the founder and former CEO of Given Imaging Ltd. (PillCam), founded Hygieacare Inc., a US Delaware corporation, to create a new standard of care in prepping patients for colonoscopy, utilizing the FDA cleared Hygieacare® System. To date over 11,000 patients have benefitted from Hygieacare procedures and there are currently 4 operational

Hygieacare Centers in the US – Austin TX, Norfolk VA, Cincinnati OH and Jackson MS.

The goal of Hygieacare is to provide unique services and solutions to [gastroenterologists](#) to enable them to deliver better GI outcomes for their patients and their practice through Hygieacare Centers to be established in the US and throughout the world.
