New York-based Elite Kreation\$ earns its ninth prestigious Talk Award thanks to its diligent customer service.

JAMETOWN , NEW YORK, UNITED STATES, May 7, 2019 /EINPresswire.com/ -- Dedication to providing the highest levels of customer service is the heart of [Elite Kreation\\$](#)' business philosophy. By always putting customers first, the company has recently earned its ninth consecutive Talk Award for Customer Satisfaction.

The [Talk Awards](#) identifies and honors businesses that provide an outstanding customer experience. Winners are based on an independent, proprietary research and evaluation system, which identifies businesses with a track record of excellent customer service and satisfaction. Only those with a 4- or 5-star rating receive The Talk Award.

Elite Kreation\$ in Jamestown, N.Y., is a family-owned business that has grown in the past 10 years from an auto detailing shop to a multifaceted small business that also offers landscaping, snow removal, U-Haul and moving services.

Owners Robert and Debra Reedy rented a space for detailing their personal vehicles, and after a neighbor stopped and asked for a car wash one day they launched their own detailing business. "We've come a long way, and we want to be known as a 'one-stop' shop for residents, servicing all their automotive, landscaping, moving and U-Haul rentals," says Robert E. Reedy II, President & CEO of Elite Kreation\$. "We work with other local businesses to make this happen. When we can't provide a service, we reach out to other small local businesses to help with whatever it may be. Small businesses have to stick together to help grow our community."

Customer satisfaction is the company's number-one priority, which shows in everything it does. "We take pride in making sure our customers have a flawless experience," says Reedy. "We also ensure all our employees are polite, prompt and detail oriented at all times. We never leave a customer unsatisfied. We resolve any issues to make our customers happy and keep them coming back."

This dedication to customers is illustrated in the company's nine consecutive Talk Awards, but also in its ongoing list of client testimonials.

in South Carolina, but while driving the owner of Elite Kreation\$ called and asked how I was doing and if there was anything he could do to make the move go smoother!! I told him I was alone with two kids and he told me he had people to help me unpack. What a god-sent miracle! The next day the men arrived and couldn’t have been nicer or more helpful! ...Both men were wonderful helping me put the backs on my couches and moving things to certain rooms. They were very quick and careful!”
