Mark Schreiber, President of CRKT, Event Chair

"Sponsoring the 'Free to Carry' fundraiser is just one more way that the industry shows appreciation for the legislative successes of AKTI and the organization's efforts to promote knives as valuable tools," said Mark Schreiber, President of CRKT and event chair. "We sincerely thank W.R. Case, CRKT, Benchmade, Boker USA, Schrade, Fox Knives, SOG Knives & Tools, The Evans Group and WE

Knife, for this additional support of the knife advocacy organization that effectively works to solve industry problems and give individuals the confidence to carry and use their knives."

The event will include a live auction and several silent auction items. Knives from widely acclaimed custom knife makers will be live auctioned and other knives and items have been donated for the silent auction. Proceeds will support AKTI's legislative effort to clarify or remove restrictive knife laws.

"We're excited to have such a fantastic response from the industry to help raise money for AKTI's legislative initiatives," said Jan Billeb, AKTI Executive Director. "These sponsoring companies are making possible an enjoyable evening with delicious food, drinks and prizes for the attendees."
