

Asia-Pacific Is The Largest Region In The Global Graphite Mining Market

The Business Research Company adds Graphite Market By Type Of Product (Flake Graphite, And Non-Flake Graphite) Opportunities And Strategies report to its store.

LONDON, GREATER LONDON, UNITED KINGDOM, May 8, 2019 /EINPresswire.com/ -- Asia-Pacific

Major Players in the Graphite Market include Kibaran Resource, Triton Minerals Ltd., Syrah Resources Limited, Tirupati Carbons & Chemicals Private Limited, and Focus Graphite Inc."

Abdul Wasay

is the largest market for graphite, accounting for almost 70% of the global market. It was followed by Western Europe, North America and then the other regions. Going forward, Eastern Europe and Africa will be the fastest growing regions in this market, followed by Asia – Pacific and North America.

Growth in the [global graphite market](#) resulted from rise in smartphone sales, and high demand for automobiles, growing demand for electric vehicles, opening of new mines, and rise in the commercial applications of graphene will drive growth. Factors that negatively affected growth in the historic period were environmental regulations, mining

accidents, skills shortage, and oversupply in the Chinese steel sector.
