

New Trend to Host Bachelorette Parties and Other Milestone Celebrations in Ontario

Want an exciting location to host a Bachelorette party? Something different than just a night out? Footprints Resort is the new destination for Girls Night!

TORONTO, ONTARIO, CANADA, May 8, 2019 /EINPresswire.com/ -- The new trend for Bachelorette parties is to turn it into a [weekend getaway](#), and Footprints Resort is the perfect destination for Ontario brides looking to celebrate their upcoming nuptials with their girlfriends one last time.

Footprints Resort is a private, [adults only retreat](#) tucked away in the Hastings Highlands and is just a few hours by car from both Toronto and Ottawa. With multiple accommodation types, such as rooms, villas and cabins as well as camping options, Footprints is right for any budget.

"We've seen a new trend at the resort, where groups are vacationing together to celebrate a milestone, such as bachelorette parties" says the owners. "They usually book a block of rooms or cabins together. Then they can create a party space near their rooms as a home base, and spread out to the beach, lounge or other communal areas as needed."

By doing so, celebrants can enjoy the relaxed atmosphere and time to utilize the resorts amenities, such as paddling on the private lake, sunbathing on the beach or other inclusive amenities. There's no need to rush through the party, pack up and be gone in the few short hours usually allotted to a celebration of this type.

Create a few games to keep your guests busy, such as a ping pong tournament, or use the resorts 'Bra Pong' game. Other yard games are available to fill your days, such as Yard Yahtzee, Ladder Toss, Washer Toss and Beer Pong. Create some competition between your guests and get active, or just hang out with your group and enjoy nightly campfires.

What you are celebrating, and how you utilize the inclusive amenities at Footprints is up to you, but we're sure you and your group will love it.
