

Affordable Braces and Invisalign Available from Lansdale Orthodontist

Exeter Orthodontics is giving patients a choice between traditional braces and Invisalign aligners.

LANSDALE, PENNSYLVANIA, UNITED STATES, May 15, 2019 /EINPresswire.com/ -- Whether patients are seeking traditional braces or Invisalign aligners, they can find a solution at Exeter Orthodontics.

Exeter Orthodontics offers [braces in Lansdale](#) for only \$3,995. This low price includes x-rays, retainers, adjustments, and repairs. To help families afford this care, payment plans are available.

Lansdale orthodontist offering affordable braces and Invisalign

Invisalign aligners are also available for only \$3,995. Invisalign uses clear, removable aligners to gradually shift teeth into place.

"Since Invisalign aligners are removable, they're convenient for adults with active lifestyles," says Dr. Soraya Mills, [orthodontist in Lansdale](#). "However, the less frequently patients wear them, the longer their treatment may last."

To learn more about braces and [Invisalign in Lansdale](#), as well as the benefits and drawbacks of each treatment, request a consultation with Exeter Orthodontics by visiting <http://www.exeterorthodontics.com/request-appointment/>.

About Exeter Orthodontics: For several years, Exeter Orthodontics, a Pennsylvania-based orthodontic practice, has offered area patients braces and Invisalign treatments for as low as \$3,995. Its team of orthodontists remains dedicated to providing high-quality care at an affordable price. Learn more at <http://www.exeterorthodontics.com/>.
