

Green Bay Wisconsin's Acts 1:8 Ministry to Train Over 400 Churches in 2019

Acts 1:8 Ministry to put 400 churches and individuals in over 100 countries through its free Planned Acts of Christian Kindness® (P.A.C.K.®) Program.

GREEN BAY, WISCONSIN, UNITED STATES, May 9, 2019 /EINPresswire.com/ -- Human kindness can be the key that opens a person's heart to God's word in the most life-changing of ways. While this often occurs spontaneously, or through inspiration, it is also quite possible to be taught how to be more effective in this area – either as an individual or even a whole church. The good news is that Green Bay, Wisconsin-based [Acts 1:8 Ministry](#) have become experts in this area, so much so that they have developed a program to help other Christians to easily and effortlessly share their faith and provide outreach across the globe. This is called their Planned Acts of Christian Kindness® (P.A.C.K.®) Program and Acts 1:8 Ministry recently announced they would be instructing over 400 churches and individuals across the world in the program by the end of 2019. The excitement surrounding the news is high.

"This is an initiative that we are truly enthusiastic about," commented a spokesperson from the ministry. "Being able to help other ministries, churches, and even individuals be able to become more effective at spreading the word of Christ and help save people is a true blessing for us. We couldn't enjoy teaching P.A.C.K.® Program anymore than we do."

The free program is highlighted by its effective instruction, mindset suggestions, ideas for how, when, and where to use the tips delivered and much more. Follow-up advice is also part of the free program, along with access to Christian Kindness cards and extra motivational resources.

Acts 1:8 Ministry certainly has a great deal of real experience in Christian outreach for close to twenty years across the world, much of which has been spent training Christians in how to effectively evangelize in their own communities after Act 1:8 Ministry leaves. So far over 3,200 churches, and groups in every state in America, and in more than 100 countries across the world have received this instruction.

The ministry is 100% supported by donations from fellow Christians who believe in Acts 1:8 Ministry's work.
