

Imbue Botanicals, LLC Introduces k9comfort-plus Tincture.

Imbue Botanicals, LLC has expanded its current CBD pet product line with the introduction of its k9comfort-plus tincture of hemp.

PALM SPRINGS, CA, UNITED STATES, May 9, 2019 /EINPresswire.com/ -- Imbue Botanicals, LLC a Wyoming based company, is pleased to introduce its [k9comfort-plus tincture](#) of hemp for canines. The product addition is a further expansion of its existing pet product line which includes tinctures for dogs and cats, k9capsules for dogs, and kittycapsules for cats, k9comfort salve, k9comfort nose balm and its equinecomfort tincture and salve.

Imbue Botanicals offers an extensive line of premium CBD products produced from organically grown Colorado hemp, including CBD tinctures and CBD capsules and CBD topicals for both people and pets.

"We're so excited to announce our new k9comfort-plus!" said Tom Bauer, Managing Member of Imbue Botanicals. "Many of you have asked for a stronger dose than our regular [k9comfort tincture](#) for those instances where using our k9capsules proves difficult to administer, the dog is larger, or the issue is more severe". "We are confident that the addition of this product to our pet line will increase our customer base, and provide exceptional benefits to our canine friends. Our new k9comfort-plus is a full 250mg of CBD per ounce in an easy to administer liquid with a natural taste dogs seem to love. Complete with a calibrated dropper, the desired amount can be easily added directly to your dog's food. And 1 ml of this tincture is close to the same dosage of our regular k9capsules! It also uses the same proprietary formulation with our vegetable glycerin to help ensure rapid absorption."

Imbue Botanical's exclusive, proprietary k9comfort-plus tincture provides a systemic approach to canine health. Packing a powerful 250 mg of Full Spectrum CBD per bottle, it's ideal for those instances when a fast acting and highly absorbable product is required. The easy-to-use, pleasant tasting liquid is thoughtfully packaged in an amber 1 oz. bottle within a drawstring muslin pouch and recyclable outer box.

The product is available online at www.imbuebotanicals.com and from select retailers.
