

# Mark Russo, Founder of Treasure Investments Corp to Display Spectacular Sculptures at Las Vegas MoneyShow

BATTLE GROUND, WASHINGTON, USA, May 10, 2019 /EINPresswire.com/ -- The [Las Vegas MoneyShow](#) Investment Conference will be held May 13 - 15, and [Foundry Michelangelo](#) will present a variety of its original sculptures, including several new and breath-taking pieces cast in precious metals as well as bronze.

Mark commented, "As a sponsor of the show, our company executives, team members and I, are excited to have been invited to participate again. This will be our sixth MoneyShow in the past two years, and our second in Las Vegas! We hope to exceed last year's success where we raised a substantial amount of investor equity and sold many pieces from our collections. As in last July's Las Vegas MoneyShow, we've reserved a spectacular 10 x 20 foot booth, and are eager to display many of our most impressive high-end sculptures. One of the newest editions to our silver editions sculpture collection is by world-famous Lorenzo Ghiglieri, "Sovereign Reign". It was cast with 1,000 Troy oz. of pure .999 silver. Thousands of his sculptures are in collections around the world, including the Vatican and The White House! Another silver example we are eager to introduce, also created by Lorenzo Ghiglieri will be our "The New American Patriot - Silver Edition", depicting the magnificent American Bald Eagle holding Article One of the U. S. Constitution in its talons. Its fraternal twin, a bronze edition of this sculpture, will also be there.

Befitting the MoneyShow theme, a sculpture we've named "The New Powerful Exchange" will be prominently featured. It depicts the American Stock Exchange, a fierce confrontation between a bull and bear. During the California Gold Rush, miners used to actually pit bears and bulls together in a fighting ring. The bloody sport eventually was outlawed, but the symbolic strength of the two animals translated into modern Wall Street catchphrase, as the bull tends to slash

upward and the bear strikes downward.

Continuing in a patriotic theme, we will feature one of our most sought-after bronze sculptures depicting our country's iconic Bald Eagle holding our American flag in its talons. We've named it, "The Spirit of America".

Mark adds, "I'm particularly excited to again present a series of illuminating and fun workshops to clients, shareholders and all attendees. I expect this event to be one of the most

exciting we'll attend this year. It certainly was a highlight for us when we were a sponsor last year in July and were honored when Kim Githler, CEO of the MoneyShow, graciously introduced us during the opening ceremonies in Las Vegas."
