Offering Special Readings as Mother's Day Gifts

NEW YORK, NEW YORK, USA, May 10, 2019
/EINPresswire.com/ -- Famous oracle [Elena Servidio-Schwinn](#), otherwise known as The New Jersey Medium, will be appearing live, in-studio on The Jenny McCarthy Show on Monday, May 20 at 10:20am EST/7:20am PST on SiriusXM Stars channel 109 and will give a reading to the beautiful blonde model/actress/reality television star and her staff and will talk about the origins of her gift and when she started talking to dead people.

"I am a very big fan of Jenny McCarthy's, I've followed her career since the beginning, she's not only beautiful inside and out, but she's smart, strong, spiritual and full of convictions," says Servidio-Schwinn. "It will be an honor to be in Jenny's presence and read her, I brought the perfect crystal for her, tune in and find out why I chose it, and I will be happy to read anyone who calls in that morning."

As Mother's Day approaches Elena Servidio-Schwinn, a devoted, single mother of five, who has one son, who like Jenny McCarthy's son, has autism offers special readings as a thoughtful and unique gift for Mom.

"When you open your eyes in the morning remember what a precious privilege it is to be alive, to breathe, to think, to love to be. Now, close your eyes and breathe, think of the one who brought you into this world, the one who carried you, sacrificed everything, loves and protects you with a fierceness like no other," advises Servidio-Schwinn. "See you mother, she is your phoenix. She burned for you in your creation, burns for you now, burns for you eternal. She has spent her life loving you unconditionally making sure you are okay, helping you find your way and your truth. This Mother's Day, you have the rare opportunity to do the same for her by getting her a reading with The Mystic and the New Jersey Medium, Elena Servidio-Schwinn."
