

Grant and Award Winner Announcements, Academy Award Winning Kathy Bates Keynote at Annual Meeting

The American Society of Breast Surgeons Announces Grant Awards that will Impact and Save Lives, Honors Academy Award Winning Kathy Bates Keynote

COLUMBIA, MD, UNITED STATES, May 13, 2019 /EINPresswire.com/ -- At the 2019 American Society of Breast Surgeons (ASBrS) Annual Meeting in Dallas, TX, the ASBrS Foundation announced winners of its grant awards and scientific awards. The grants provide critical support for underserved populations. The ASBrS Foundation also helped bring Academy Award winning actress Kathy Bates to deliver the meeting's keynote address, sharing her message about lymphedema from a patient's perspective.

"Our grants make a difference in the lives of thousands of patients in need each year and support research that can make an impact for years to come," said Beth Boyd, RN, Chairman of the ASBrS Foundation. "We're honored to support these great programs that help men and women affected by breast cancer and other breast issues, saving lives and improving their quality of life."

The ASBrS Foundation announced the following grant and award winners at the Annual Meeting:

Community Outreach:

o "Breast Health Outreach & Education Program," Health Community Coalition, Maine
o "BEAT – Breast Health Education Access and Treatment," TOPPS, Inc., Arkansas

Education:

o "Breast Health & Cancer Education in Rural Central Washington," Kittitas Valley Healthcare, Washington

Research:

o "Understanding Patients' Perspectives on Factors that Contribute to Socioeconomic Disparities

About the ASBrS Foundation

The ASBrS Foundation is a 501(c)3 charitable organization founded in 2005 to improve the standard of care for breast disease. The Foundation supports the mission of The American Society of Breast Surgeons (ASBrS), the primary leadership organization for general surgeons who treat patients with breast disease. ASBrS is committed to continually improving the practice of breast surgery by serving as an advocate for surgeons who seek excellence in the care of breast patients. This mission is accomplished by providing a forum for the exchange of ideas and by promoting education, research, and the development of advanced surgical techniques.
