

PCX, INC. ANNOUNCES KEY HIRE: New WAREHOUSE TECHNICIAN

HUNTINGTON BEACH, CA, UNITED STATES, May 10, 2019 /EINPresswire.com/ -- PCX, Inc. is proud to announce the hire of a new Warehouse Technician Jamie Neff. Jamie comes to PCX, Inc. with many years of experience working in a warehouse, one of those industries being the freight industry. Neff was born and raised in Illinois and pursued an education in teaching at the Northern Illinois University. He decided to move west to California for its weather and opportunities. He enjoys staying active with mountaineering and hiking as well as being an avid reader. This helps keep Jamie sharp and fit for the rigorous and important role he fills as a warehouse technician. Jamie is quoted saying "I believe PCX, along with its synergy and my skill set, is a good match".

The CEO and Founder of PCX, Gilles Aouizerat, stated "Jamie's infectious intelligence, work ethic, and general positivity have already proven to be strong influencers to the culture of the company and Warehouse/QC departments. He is a welcome addition to the team."

"VP of Quality & Operations, Ed Dimmler, said Jamie has an outstanding work ethic and is a tremendous addition to the team. What he has brought to the department has really raised the level of performance and I see a very bright future for him at PCX, Inc."

PCX Inc. is a DSCC authorized supplier of monolithic integrated circuits and other critical components, with an Alternative Release Program letter from DCMA, AS9120 certified, ISO9001 certified, and ESD ANSI S20.20 certified company. PCX Inc. was a founding member and is on the board of the IDEA (www.idofea.org), ERAI member, NEDA member, CCAP member. Clients come to PCX when they are annoyed they can't find a high-reliability distribution partner, are frustrated by long lead times, concerned about shortages, upset with poor vendor communications and angry with vendors with low integrity and truly want to address those issues.

Commercial and military markets who is also a member of the Electronic Components Industry Association (www.ECIAnow.org) as well as a founding member and treasurer of the Independent Distributors of Electronics Association (http://www.pcxco.com/idea_certificate).
