

# USPA 41st Annual Conference "The Art & Science of Energy Healing" – Official Speakers and Presentation Agenda

*Over 20 presentations from authors & experts who are forerunners in the areas of science, radionics, energy healing, and subtle energies. Meet the Speakers.*

SKOKIE, IL, USA, May 13, 2019 /EINPresswire.com/ -- Since 1975 The [United States Psychotronics Association](#) (USPA) has been the focal point for scientific and technical exploration of the universe, as well as the esoteric, spiritual and psychic arts in the United States. USPA's annual conferences feature a variety for its members: workshops, speakers, and cutting-edge research. This year, the USPA will be kicking off its 41st Annual USPA Conference.

SKOKIE, IL, May 10, 2019 – The United States Psychotronics Association is hosting its 41st [Annual Conference](#) on July 26-28, 2019 in Skokie, Illinois, a suburb of Chicago. The Conference will be held at the DoubleTree by Hilton Hotel Chicago. This year's theme will be "The Art & Science of Energy Healing". The conference will feature over 20 presentations from authors and experts who are forerunners in the areas of science, radionics, dowsing, energy healing, and subtle energies. USPA Board & Officer speakers will have their own presentations. USPA has a roster of new speakers invited to speak at this year's conference.

Dr. Beverly Rubik (USPA President) is presenting on the Wireless Radiation, 5G, and Our Health.

Linda Lancaster is presenting Harmonic Healing.

“

The workshop is designed for novice practitioners and prospective student, as well as for those simply wanting to learn what radionics and psychotronics is all about.”

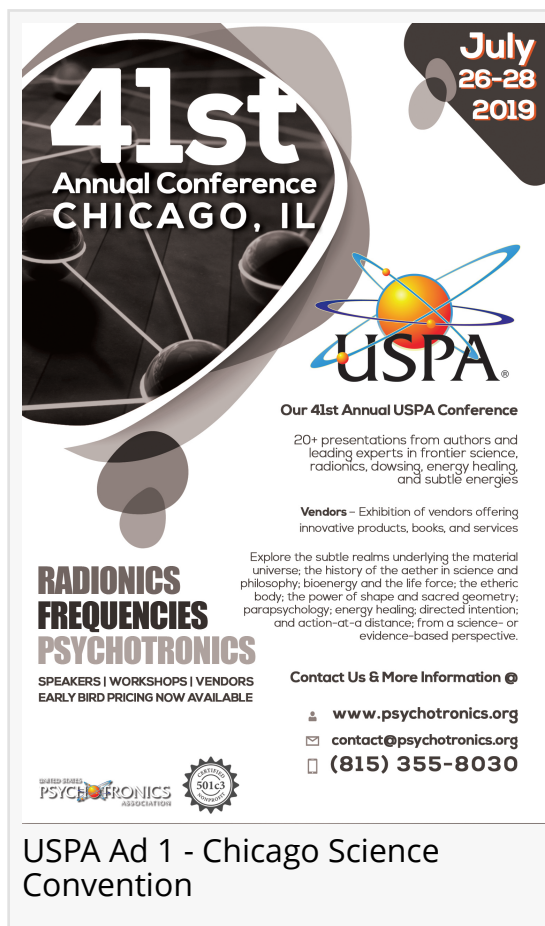

*Scott Beutlich*

Glen Rein, Ph.D. presenting Self-Healing Mechanisms in Biology: Insights from Molecular Biology and Informational Pharmacology.

Lutie Larson is presenting Using Radionics Every Day: Practical Applications for the Home, Health, and Garden.

George Kuepper is presenting An Interactive Session with Radionics Practitioners (coordinated & moderated by George, with others).

Jon Klimo is presenting Consciousness Studies, Parapsychology, Metaphysics

The USPA has been hosting its annual conference for its members since 1974. Every conference feature's researchers and individuals with innovative viewpoints, research and theories to share in the following areas: psychotronics, radionics, dowsing, energy healing, aetheric physics, frequencies, quantum energy and more. Related fields to Psychotronics include research covering the above forces, energies, and phenomena of psychotronics: bioelectromagnetics, bioenergetics, biophotonics, biophysics, psionics, psychoenergetics, psychoneuroimmunology, quantum biology, radionics, scalar electromagnetics. A few related practices that Psychotronics can be applied to include acupuncture, biogeometry, clairvoyance, extrasensory perception, feng shui, homeopathy, kirlian photography, magnetic therapy, pendulum use and methods, prayer effects, psionic medicine, psychic healing, psychometry, qigong, shamanism, sound and sonic healing, telekinesis, telepathy.

About The United States Psychotronics Association (USPA): nonprofit 501(c)(3) organization founded in 1975 to serve as a focal point for scientific and technical exploration of the universe of esoteric, spiritual, and psychic arts in the United States of America. Psychotronics involves the study, research, and applications of the physics and technology of the mind, brain, spirit, consciousness, and the underlying forces of life and nature.
