KEENE, NEW HAMPSHIRE, UNITED STATES, May 14, 2019

/EINPresswire.com/ -- Sue Ellen Sweeney is a Dreambuilder Coach and a Life Mastery Consultant certified through the Life Mastery Institute. She uses transformational principles to guide her mission to accompany and empower others on their journeys to living life purposefully with courage, peace, strength, and joy.

In her role of life coach and professional educator and speaker, Sweeney offers uplifting group workshops to audiences around the country and transformational, in-depth individual coaching that helps clients achieve new heights of success, meaning, and spiritual aliveness.

Sweeney specializes in helping young couples envision and plan a thriving and connected family life so they can raise healthy happy children while achieving their life goals and dreams.

She has created a system called SOAR with Heart: The Evolution of the Family, that helps parents create and live their family lives by design rather than by default.

SOAR with Heart helps to guide decisions in parenting, relationships in alignment with their passions and purpose. This helps to eliminate the stress of responding to crisis moments, distractions and choices that are not going to help them be the best parents they can be and raise children that thrive to be their best.

Clients have more meaningful and connecting relationships with their spouse and with their children as they celebrate the many transitions of family life to the ultimate goal of launching their children into the world to SOAR!

"Parenting is the best opportunity a person can have to grow and develop into the best person they can be," says Sweeney. "You can learn so much about yourself as you learn about your child. Parenting can be fun and rewarding and a path towards tremendous personal growth and becoming!"

In complimentary discovery session, Sue Ellen will help you identify your biggest challenge of balancing work and family, crystallize your vision for your family life, and help you plan next

steps for strengthening your relationships in your family while increasing your success in other areas of your life.

CUTV News Radio will feature Sue Ellen Sweeney an interview with Jim Masters on May 16th at 1pm EDT and with Doug Llewelyn on May 23rd at 2pm EDT.
