

Jay Bansal's Start-Up, Midwest Medical Services, LLC Helps Clients Get Medical Attention Before their Case Settles

PARADISE VALLEY, ARIZONA, USA, May 14, 2019 /EINPresswire.com/ -- Tempe, AZ—What happens if an individual is injured in an accident, but does not have health insurance? Where do they go for treatment, and how will they ever tackle all of the out-of-pocket costs for their medical needs? Midwest Medical Services, LLC is a medical lien finance company that offers medical services through a list of providers and will work with clients until their personal injury case has settled. [Jay A. Bansal](#) has connections with MRI facilities, primary care doctors, physical therapists, chiropractors, pain management doctors, orthopedic surgeons, neurosurgeons and surgery centers.

Midwest Medical Services, LLC has funded claims for patients throughout the United States. [Jay Ankur Bansal](#) ensures that Midwest Medical Services partner patients with choice physicians and healthcare providers that will tend to their personal medical needs, providing the highest quality of care with no out of pocket costs to the injured victim. When patients are suffering, the last thing they want to worry about is how they are going to find quality health care providers and how they are going to pay for treatment. Midwest Medical Services wants clients to be treated promptly.

In many states, the statute of limitations for personal injury claims is two years. Many individuals wait too long to file their claim because they are worried about the cost of medical care. Don't wait until it's too late! You deserve to be treated now, and Jay A. Bansal and Midwest Medical Services has the answers, the direction and the guidance you need.

For the past 15 years, former attorney, Jay Ankur Bansal has made an indelible mark on the business world. From owning gas station convenience stores, real estate, hotel and apartment projects, medical-legal funding, and medical software companies, Jay A. Bansal is a steadfast, loyal entrepreneur.

[Jay Bansal](#) brings a wealth of knowledge to the company in many aspects, especially when it comes to legal issues. Jay has implemented many measures into Midwest Medical Services protocols and processes, and many other legalities for the company as a whole internally and externally from the start-up phase.

Jay Bansal grew up in the Tempe/Phoenix area and is proud to give back. Jay has been married to Rajani Bansal for 25 years, and together they have three children. Jay and Rajani are grateful to be able to take part in entrepreneurial partnerships as well as in supporting and promoting worthy causes in their community.
