

Florida Prosecutors Violate Constitutional Rights

State & Assistant State Attorney Breach the Constitution!

N MYRTLE BEACH, SC, UNITED STATES, May 20, 2019 /EINPresswire.com/ -- Fair Play Facts, (www.fairplayfacts.com) discovers a major "Color of the Law" violation within the [Prosecutors](#) office of Clearwater, Florida (Pinellas County) State Attorney McCabe & Assistant State Attorney Menendez Kotch violated Federal Constitution, Section 242 Title 18, which is a "Color of the Law" violation. They also took it upon themselves to violate Florida Article I,16.

Fair Play Facts discovered these violations while creating "Standard Protocol" on the website. The Prosecutors, following a DUI manslaughter case in 2016, never contacted next of kin regarding procedures, court dates, advocacy assistance or any information on the killing of their family member, nor have they to this date. When family members tracked down the duo in 2017, McCabe would not even get on the phone. Menendez Kotch stated "Florida does not have DUI LAWS"! Another important part of the puzzle is they gave a very drunk driver, who left the scene of a [homicide](#) the equivalent of a Traffic violation, never charging him properly & without the victim's family's knowledge. This is going to be dealt with, states "Deborah McGuire" creator of Fair Play Facts. Who do these Prosecutor's think they are? Can you imagine having a loved one killed and NO Prosecutor's contact you regarding the Process or even act like the victim existed!! I'm sure there are many more cases out there!
