

Datadesh to be dMACQ's Exclusive Channel Partner in Bangladesh

Launch of technologies to enable Digital Bangladesh

DHAKA & MUMBAI, BANGLADESH & INDIA, May 16, 2019 / EINPresswire.com/ -- Datadesh and dMACQ are proud to announce their partnership for the Bangladesh market where Datadesh will be the exclusive channel partner for dMACQ's products and services. Bangladesh is rapidly growing in the adoption of modern digital technologies and dMACQ's extensive offering of IT and ITES in the digitization space will be attractive to several industries in Bangladesh. Datadesh will provide end-to-end support to its customers in Bangladesh for all dMACQ products and services.

Datadesh Technologies Ltd., promoted by 3rd generation entrepreneurs, is based in Dhaka and Chattogram, is mainly focused in the realm of software that makes people's life easier and improves present working methods. Datadesh's offerings cover various business solutions employing latest technological advances. Datadesh strongly supports Bangladesh Government's manifesto for a "Digital Bangladesh" and hopes to contribute in a humble way to the development of both public and private sectors including individuals through the technological medium.

dMACQ Software Pvt. Ltd., founded in 2011, is based in Mumbai and is a leading software developer of Document Management Systems, Contract Management Systems, Robotic Process Automation systems, and Workflow/Business Process Automation Systems. In addition, dMACQ also provides digitization services including onsite mailroom services to its customers. dMACQ has more than 150 customers including several blue-chips in India. dMACQ is a startup recognized by the Department of Industrial Policy and Promotion of Government of India.

"Datadesh was looking to partner with a DMS company who had the following attributes: robust features, innovator (R&D), competitive pricing and having a long-term vision. We truly feel dMACQ possesses these attributes and some more which gives us the confidence / comfort to promote dMACQ solutions to the Bangladesh market." said Mr. Humayun Kabir Ahmed, Managing Director of Datadesh.
