Growth in the pesticides market in the historic period resulted from growing population and development of low interest rate environment in emerging markets. Factors that negatively affected growth in the historic period were high R&D costs, alternative techniques and erratic climate change.

Pesticides are chemicals used to eliminate or control a variety of pests related to agriculture that can damage crops and livestock and reduce farm productivity. Agricultural chemicals (also known as agrochemicals) are chemical agents such as pesticides, fungicides, herbicides and insecticides that are used to control crop-harming organisms (e.g., fungi, nematodes, mites, insects and rodents) or viruses.

The pesticides market is concentrated with the top ten competitors making up more than about 35% of the total market in 2018. Players in the market include China National Agrochemical Corporation, Bayer AG, Dow DuPont, BASF SE, United Phosphorus Ltd., Sumitomo Chemical Co., Ltd.

Pesticides Market By Type (Herbicides, Fungicides And Insecticides), Opportunities And Strategies- Global Forecast To 2022 is one of a series of new reports from [The Business Research Company](#) that provides pesticide market overviews, analyzes and forecasts pesticide market size and growth for the global pesticide market, pesticide market share, pesticide market players, pesticide market size, pesticide market segments and geographies, pesticide market trends, pesticide market drivers and pesticide market restraints, pesticide market's leading competitors' revenues, profiles and market shares. The pesticide market report identifies top countries and segments for opportunities and strategies based on market trends and leading competitors' approaches.

Where To Learn More

Read Global Pesticides Market By Type (Herbicides, Fungicides And Insecticides), Opportunities And Strategies– Global Forecast To 2022 from The Business Research Company for information on the following:

Markets Covered: global pesticides market, (by type - herbicides, fungicides and insecticides); global chemical manufacturing market.

Data Segmentations: pesticides market size, global and by country; historic and forecast size, and growth rates for the world, 7 regions and 12 countries; (by type - herbicides, fungicides and insecticides) market size, historic and forecast size, and growth rates for the world, 7 regions and 12 countries; global chemical manufacturing market.

Pesticides Market Organizations Covered: China National Agrochemical Corporation, Bayer AG, DowDuPont, BASF SE, United Phosphorus Ltd.

Regions: Asia-Pacific, Western Europe, Eastern Europe, North America, South America, Middle East and Africa.
