

Diamond Aircraft Industries and Leonardo announced to sponsor the 8th Annual Military Flight Training Conference

SMi Reports: Sponsors Diamond Aircraft Industries & Leonardo will be speaking and exhibiting at the Military Flight Training conference in London this October.

LONDON, UNITED KINGDOM, May 16, 2019 /EINPresswire.com/ -- SMi's Military Flight Training conference will comprehensively cover latest developments in fast-jet, rotary-wing, and fixed-wing training, as well as national approaches to pilot development and technological advances to synthetic and live training programmes.

The two-day event will also cover the most crucial topics today including: technical air crew training, pilot retention and attrition reduction, and cooperating with external contractors for increased training efficiencies.

[This year's event](#) is taking place on the 9th and 10th October 2019, in London, UK, which will feature over 15

presentations from senior military officials, international representation from Austria, Canada, Czech Republic, France, Germany, Hungary, Italy, Sweden, UK, and USA, as well as leading industry experts including sponsors Diamond Aircraft Industries GmbH and Leonardo.

The newly-released brochure with the two-day agenda and speaker line-up is available to download at <http://www.militaryflight-training.com/einpress>

For those looking to advance their flight training capabilities, both sponsors will be speaking and exhibiting at the event to share their latest solutions and services.

About Diamond Aircraft Industries GmbH - Diamond Aircraft offers the most complete range of certified piston aircraft models; from the 2 seat single DA20 to the stunning new 7 seat DA62. Diamond's designs have achieved an impressive and consistent safety record over many years, ensuring the features and characteristics of an aircraft offers pilots maximum protection in case of accidents.

About Leonardo - From advanced components to fully integrated systems and platforms,

The image shows a brochure for the Military Flight Training 2019 conference. At the top, it says 'SMi Group presents the 8th Annual...' followed by the SMi logo and tagline 'LINKING BUSINESS AND INFORMATION'. The main title 'MILITARY FLIGHT TRAINING 2019' is written in large, bold, white letters with a distressed texture on a dark red background. Below this, the dates '9 - 10 OCTOBER' and location 'LONDON, UK' are displayed in white, bold, sans-serif font. The background of the brochure features a close-up photograph of a blue military aircraft's cockpit and tail section. At the bottom, the website 'www.militaryflight-training.com' is printed in white on a dark red rectangular background. Below the brochure image, the text 'Military Flight Training 2019' is centered.

Leonardo masters the full cycle of development of rotary and fixed wing platforms and of sensors and effectors to deliver a full range of proprietary solutions and managed services. Leonardo also offer Aircrew and Groundcrew training courses that are structured according to the best international military training practices.

The biggest early bird discount of £400 ends on Friday 31st May 2019. Places can be reserved at <http://www.militaryflight-training.com/einpress>
