

Worried About Stress and Emotional Pain Dominating Your Life?

The Dianetics Foundation of Washington, D.C. celebrated the 69th Anniversary of the Publication of Dianetics: The Modern Science of Mental Health.

WASHINGTON, DC, USA, May 16, 2019 /EINPresswire.com/ -- "Stress, drug abuse, depression, unwanted fears and emotions and psychosomatic illnesses run rampant in our society. Just about every person I talk with complains of something." said Gillian Mohammad, at the 69th Anniversary celebration of the publication of the book [Dianetics](#): The Modern Science of Mental Health written by L. Ron Hubbard.

Ms. Mohammad told her [personal story](#), "My life was filled with problems. I had serious eye issues and was told I would go blind within 5 years. I had no idea what to do but I knew there must be hope some place. Then one day I took the [Dianetics weekend seminar](#). It was amazing. I had no idea what the mind was and how the reactive part of my mind was adversely affecting my life but by the end of the weekend, I found the reason behind vision problems I had been having and my eyesight improved with less pain and itching of my eyes. I have much better vision now and almost 10 years later I still seeing well. I had help not only for myself but wanted to help others."

“

Dianetics is indeed an adventure into Terra Incognita, the unknown or unexplored territory of the mind."

Ms. Sharyn Runyon

the New York Times Best-selling book. It has appeared more than 100 weeks on the New York

Dianetics in various languages

The word Dianetics, comes from the Greek words dia meaning "through" and nous meaning "soul". The Dianetics book details exactly the answer to the question of what the soul is doing to the body through the mind and how can one obtain relief from unwanted emotions and psychosomatic illnesses caused by this.

Celebrating the successes of Dianetics therapy, practitioners came together at the Church of Scientology National Affairs Office to celebrate the 69th anniversary of

Times bestseller list and in fact returned to the Number One position decades after its first publication. The event was highlighted by a panel sharing their personal stories.

Relating the history of Dianetics, Ms. Sharyn Runyon, President of the L. Ron Hubbard Foundation talked about the Bayhead, New Jersey, historic landmark house where the book was written by Mr. Hubbard. "Dianetics is indeed an adventure into Terra Incognita, the unknown or unexplored territory of the mind. The Bayhead historic house is open for all to tour and experience the time in 1950 when this amazing book was written."

Dianetics: The Modern Science of Mental Health written by L. Ron Hubbard and published in 1950 has appeared more than 100 weeks on the New York Times bestseller list and in fact returned to the Number One position decades after its first publication. It is now available in more than 50 languages in over 150 countries. Its popularity is based solely on results. Testimonials from users tell the story: greater intelligence, awareness, vitality, understanding of life and the resolution of previously "unsolvable" problems.
