

Inc. Magazine Ranks Vincit among Best Workplaces 2019

IRVINE, CA, USA, May 17, 2019
/EINPresswire.com/ -- Vincit California has been named one of Inc. magazine's Best Workplaces for 2019.

"With today's tight labor market, building a great corporate culture is more important than ever," says Inc. magazine Editor in Chief James Ledbetter. "The companies on Inc.'s Best Workplaces list are setting an example that the whole country can learn from."

"Being recognized by Inc. magazine as a Best Workplace in America is a huge honor. It has been one of our goals at Vincit ever since we opened our office in the US three years ago," says Ville Houttu, CEO of Vincit California. "The job satisfaction of our amazing employees is our number one business goal. They are our biggest asset. Vincit will continue to work on creating an empowering work environment that is filled with trust and transparency."

Collecting data from nearly 2,000 submissions, Inc. singled out 346 finalists nationwide that ranked highest on topics including trust, management effectiveness, perks, and confidence in the future. The strongest engagement scores came from companies that prioritize the most human elements of work. These companies are leading the way in employee recognition, performance management, and diversity.

The list will hit newsstands May 28, 2019 for the June 2019 issue.
