About Modern Fresca

In “Modern Fresca,” the first word, “Modern” is inspired by walks through Milan; enjoying a

cappuccino at an outdoor café shop, and going out with friends for a fun night in the town. “Fresca,” the Italian word for “cool” is a walk through the town square in a beautiful Mediterranean village surrounded by a scenic ocean view.

Michael Ross Catania, the founder was inspired by his Italian Grandmother who was a seamstress in NYC and in Naples, Italy in the early 1950s to the 1980s. Step into a wonderful style today by wearing some of the exquisite items that Modern Fresca sells.

You’ll surely enjoy the pleasant outdoors in a brand of dress that is comfortable, yet allows you to express your uniqueness at that given moment.
