

Sellers Containers to Participate in Letsrecycle Live 2019

Sellers Containers will participate at Letsrecycle Live 2019, held at NAEC in the West Midlands, England to showcase its innovative waste containment products.

OLDHAM, LANCASHIRE, UNITED KINGDOM, May 21, 2019 /EINPresswire.com/ -- [Sellers Containers](#), the waste containment products manufacturing subsidiary of [Visionscape Group](#), will be at [Letsrecycle Live](#), the only event exhibiting the latest developments, equipment and opportunities in the United Kingdom's waste and recycling sector in a LIVE environment.

Sellers Containers will exhibit its innovative waste management products, including the smart, solar-powered SolarStreetBin™ and the new upgraded 1100ltr Sellers Trade Waste Bin, during the two-day event that will be held on May 22-23, 2019 at the National Agricultural Exhibition Centre in West Midlands, England.

"This is a great opportunity for us to show how our products support and promote waste recycling, sustainability and circular economy, the very things that Letsrecycle Live stands for. We also look to demonstrate the cutting-edge features of our products so guests can see for themselves the real, tangible benefits that our products can bring to them and the environment," said Marcus Davies, Managing Director at Sellers Containers.

A leading UK manufacturer of bins, skips and containers, Sellers Containers will be welcoming guests and participants at Booth N1 to showcase the advantages of its high-quality products, including Roll-On-Roll-Off (RORO) containers and Front End Load (FEL) skips.
