

Oilfield Water Connection Announces Keynote Speaker & Agenda for First-of-Its-Kind Conference as Water Deal News Surges

On June 21st downtown Houston, oil and gas industry executives will gather to discuss trends in oilfield water procurement, M&A and market structure.

HOUSTON, TX, USA, May 21, 2019 /EINPresswire.com/ -- In the oilfield water industry, it seems like another new M&A deal is being announced almost daily. Market structure is changing rapidly, and the industry leaders of tomorrow are emerging now.

As produced water commercial strategies evolve, a timely executive conference is coming to the Houston Petroleum Club this June, brought to you by Oilfield Water Connection.

[Register today](#) for "Oilfield Water: Identifying & Financing the Right Solution" June 21, 2019 in Houston.

Today, Oilfield Water Connection is honored to announce Peter Bowden as the keynote speaker for this conference. Mr. Bowden is Global Head of Energy Investment Banking at Jefferies. He has advised on over \$200 billion of energy M&A, including several of the most significant mergers, acquisitions and joint ventures in Midstream energy.

Following Mr. Bowden's address, titled "The Water Opportunity," the following group of thought leaders will convey their insights on stage. Their presentations and panel discussions coincide with a defining moment in this oilfield sector's history and will set an important framework for the oilfield water business going forward.

Listed in order of scheduled appearance:

- Kelly Bennett, President, B3 Insight
- Christopher Haymons, Co-Founder / Partner, Industria Partners
- Robert Rubey, Co-Founder, Goodnight Midstream

JUNE 21
HOUSTON, TX

OILFIELD WATER
IDENTIFYING & FINANCING THE RIGHT SOLUTION

First-of-a-kind executive conference
