

Understanding Victim Consciousness and Projection

LAGUNA HILLS, CALIFORNIA, USA, May 21, 2019 /EINPresswire.com/ -- Many spiritual seekers ask "What is the number one thing that holds me back from attaining self-mastery? What do I most need to understand about myself in order to grow and heal at the fastest rate possible?"

[Louix Dor Dempriey](#), a spiritual Master who, for the past 20 years has been helping people worldwide attain self-mastery, teaches his students, disciples, and devotees about the concept of "victim consciousness."

In his discourse "[Understanding Victim Consciousness and Projection](#)," Louix explains that blaming others for our problems/circumstances ("You did this to me!") stems from an ignorance of the indisputable Universal Truth: There is nothing outside of self. We have created and chosen everything and everyone in our lives to either reflect our divinity or reveal areas where we can become greater love.

He uses practical, everyday examples of how we can consciously become co-creators of our world at the causal level and, in doing so, immeasurably accelerate our spiritual growth and transformation.
