

# Affordable Dentures in West Chester from Affordable Dental Solutions

*Full, partial, and implant-retained dentures are available from ADS.*

WEST CHESTER, PA, UNITED STATES, May 28, 2019 /EINPresswire.com/ -- [Dentures in West Chester](#) are available from Affordable Dental Solutions. Thousands of patients across Chester County are smiling brighter because of the affordable care offered by ADS.

Full, partial, and implant-retained dentures are available. Full dentures cost only \$650 per arch. Partial dentures cost only \$750 per arch. Implant-retained dentures are \$2,999 when two dental implants are added to a patient's existing full lower dentures. Implants help dentures stay in place and prevent them from growing loose over time.

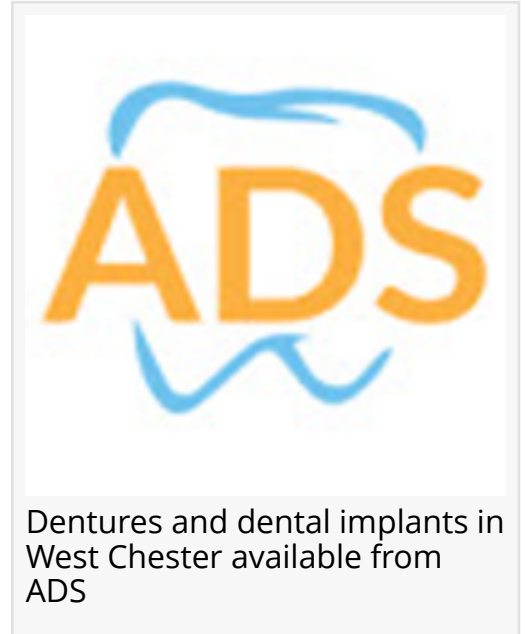

"We work closely with patients to ensure that their dentures achieve a comfortable fit and the desired results," says Dr. Catherine Alger, [dentist in West Chester](#).

[Dental implants in West Chester](#) are also available. A single dental implant costs only \$2,000. This low price includes both the abutment and crown, which add a seamless, finished look to a patient's smile.

To learn more about dental implants and dentures in West Chester, schedule an appointment with the Chester County dentists by visiting <http://www.affordabledentalsolutions.com/request-appointment/>. New patients are being accepted.

About Affordable Dental Solutions: Based in eastern Pennsylvania, Affordable Dental Solutions is a provider of full dentistry services. For nearly a decade, Affordable Dental Solutions has offered patients procedures such as dental implants, crowns, and dentures at rates much lower than area competitors by utilizing state-of-the-art equipment and by negotiating discounts with implant manufacturing companies.
