Attendees were referred to words by [L. Ron Hubbard](#) in The Way to Happiness, "Get people to look, study, work it out and then do it. And when they have it right, get them to practice, practice, practice until they can do it like a pro. There is considerable joy in skill, dexterity and moving fast: it can only be done safely with practice. Trying to live in a high-speed world with low speed people is not very safe. The Way to Happiness is best traveled with competent companions."
