

Attorneys Who Want to Double or Triple Business Can't Miss "The Ambitious Attorney" from Steve Fretzin

Attorneys struggling to build their business or unsure about marketing won't want to miss "The Ambitious Attorney" from Steve Fretzin.

CHICAGO, IL, UNITED STATES, May 22, 2019 /EINPresswire.com/ -- Whether you're a solo practitioner or a member of a large firm, attorneys who find themselves struggling to grow their law practices can't miss Steve Fretzin's new book, "The Ambitious Attorney," releasing summer 2019.

In his third book, Fretzin, a Chicago-based expert in the field of legal business development and marketing, shares insights and proven methods to help ambitious attorneys to double or triple the size of their law practice. Mr. Fretzin has more than 15 years of experience coaching lawyers who are dedicated to learning and practicing his methodologies.

"If you are a lawyer who is already as busy and successful as you want to be, congratulations and keep doing what you are doing," said Scott C. Anderson, Founder and Publisher of Leading Lawyers Magazine. "Everyone else, literally, needs to buy, read and follow the simple steps detailed in Steve's book, 'The Ambitious Attorney.' These are practical, easy, simple and valuable steps you can start on today to improve your bottom line, indeed your life. I respect Steve's experience and perspective and I know you will, too."

"The Ambitious Attorney" includes dependable and simple tactics for making networking events worthwhile; how attorneys can increase their client list without sales tricks; how new, young attorneys can find a foothold in an often-crowded marketplace and much, much more.

"While my first book focused on a sales-free selling process and my second on effective networking for attorneys, this new book brings it all together to help any attorney succeed," said Fretzin. "I know attorneys will get tremendous value from reading it and applying the content in their law practices."

To kickoff the publication of "The Ambitious Attorney", Fretzin is hosting an open house event on Tuesday, June 4 at his downtown Chicago office. Copies of the book will be available for purchase, and Fretzin will be available for signing and speaking with attendees.
