

Regalix's latest CMO Guide explores the top trends in Event Marketing

PALO ALTO, CALIFORNIA, USA, May 24, 2019 /EINPresswire.com/ -- [Regalix](#) has released the latest edition of [CMO Guide](#) titled "[Event Marketing](#)." The CMO Guide is a Regalix research initiative meant for marketing leaders that encapsulates insights from multiple domains based on deep research conducted by industry experts.

This edition explains why most organizations still consider events to be one of the most effective marketing channels for their business, especially in the B2B space. It also identifies how companies benefit from different event marketing strategies and the [best practices](#) that are followed before, during and after the event.

The report further goes on to discuss the role of digital technology in event marketing today with the help of tools like artificial intelligence (AI), augmented and virtual reality (AR/VR), gamification, live streaming, 5G and remote events.

"From conferences and product launches to trade shows and virtual meetings, events are an integral component of the modern marketer's arsenal of tools. However, the way we conduct events today is constantly evolving due to the rapid advancements in digital technology," says Nimish Vohra, SVP – Marketing, Regalix.

CMO Guide: Event Marketing 2019
