SAN FRANCISCO, CALIFORNIA, UNITED STATES, May 27, 2019

[/EINPresswire.com/](http://EINPresswire.com/) -- The Augmented and Virtual Reality (AR/VR) solutions provider [Paracosma Inc](#) deepens its direct client relationships through the acquisition of the AR/VR agency [To the Moon 3D Technologies](#). For two years, Paracosma has provided content creation, application development, and project implementation services to To the Moon 3D clients across a broad range of AR/VR platforms. Bringing To the Moon 3D marketing, sales and account management capabilities in-house enables Paracosma to better manage the end-to-end client experience.

Today's AR/VR projects often begin with R&D and experimentation to turn the client's vision into reality. From initial proof of concept through minimum viable product and on to full commercial deployment is often a long journey. The ability to embark on that journey beginning with low-cost, high-quality experimentation and continuing through the highest-value results is now possible while maintaining a single relationship that grows with the opportunity.

“

To the Moon 3D has brought us some of our most significant enterprise clients,”
