

Supermodels Unlimited Magazine Hosts Miami Fashion Show for Children in Need

Models & Celebrities Use Swimwear to Raise Money for Children During Miami Swim Week Kickoff Event

MIAMI, FLORIDA, UNITED STATES, May 28, 2019 /EINPresswire.com/ -- On June 1st Supermodels Unlimited Magazine(SU) is hosting a celebrity runway benefit for the Voices for Children Foundation. The Epic Swim Show will kickoff Swim Week festivities a full month early, to bring more focus and awareness to the charity and their important work in South Florida. Voices for Children improves the lives of children in foster care. In the life of every child, there should be at least one adult that stands as his or her hero. Usually, that hero is their mother or father. Unfortunately, there are over 2,000 children in the Miami-Dade foster care system who have no heroes in their lives, and whose voices often go unheard.

Supermodels Unlimited Magazine, in partnership with Queen Beauty USA, has dedicated its swim week showcase to educating the public about this growing issue. The Voices for Children Foundation support enables the Guardian ad Litem (GAL) Program to recruit, train, and support volunteers to serve as the 'voice' for abused, abandoned, and neglected children. This is achieved by advocating for the children's' best interests in dependency court proceedings. This is currently the only organization that provides this type of caring and objective voice in court. Guardians ad Litem make sure children are not lost in an overburdened legal and social service system or languishing in an inappropriate home or shelter. The

The Foundation's financial support also helps fulfill the children's medical, educational, and social needs.
