The market revenue and share have been analyzed with respect to the following regions and countries:

America
North America
US
Canada
Europe
Germany
France
Italy
Spain
U.K
Rest of Europe
Asia Pacific
China
India
Singapore
Australia

Rest of Asia Pacific
Rest of the World
Brazil
Argentina
South Africa
Saudi Arabia
Others

On the basis of processes, the global food waste management market has been categorized into the following segments:

- Aerobic Digestion
- Anaerobic Digestion
- Combustion
- Others

On the basis of waste type, the global food waste management market has been categorized into the following segments:

- Food Production Waste
- Food Processing Waste
- Distribution and Supply Chain Waste
- Retail Waste
- Consumption Waste

On the basis of end use, the global food waste management market has been categorized into the following segments:

- Animal Feed
- Fertilizer
- Renewable Energy
- Biofuels
- Others

On the basis of region, the global food waste management market has been categorized into the following segments:

- North America
- Europe
- Asia Pacific
- Rest of the World
