

Less than 4 weeks to go until the Future Soldier Technology USA Conference

Smi Reports: Registration closes in less than 4 weeks for the Future Soldier Technology USA conference, taking place on June 24th-25th in Arlington

ARLINGTON, UNITED STATES, May 29, 2019 /EINPresswire.com/ -- With less than 4 weeks to go, [Future Soldier Technology USA](#) will bring together a community of senior military leaders, program managers, and researchers at the forefront of delivering enhanced soldier capabilities, from the US and beyond.

Key topics to be discussed include: Enhancing lethality, Lightening the load, Increasing soldier power, Optimising night vision, Dismounted situational awareness, Maximising survivability, Transforming manoeuvrability, Leveraging Augmented Reality (AR), and much more.

The latest brochure with the full agenda and speaker line-up is available to download online at <http://www.futuresoldierusa.com/einpress>

With over 100 attendees confirmed, [the two-day event](#) will provide networking opportunities for those shaping the future of soldier tech through partnerships and innovation.

Military and industry representatives attending the conference include:

US ARMY: Asymmetric Warfare Group, Army Research Laboratory, PEO Soldier, Natick Soldier Systems Center, Combat Capabilities Development Command, Capability Development Integration Directorate (CDID), Rapid Equipping Force.

US MARINE CORPS: Marine Corps Systems Command, Training and Education Command.

OTHER ORGANISATIONS: BAE Systems, Department of Defence – Australia, FN America, GLENAIR, Leonardo DRS, MCI A, Nexter Group, Radetec, Redcom Laboratories, Royal Marines, Secubit Ltd, Spearpoint Solutions & Technology Pty Ltd, Ultra Electronics, WL Gore, plus many more.

For those interested in attending the conference, there is a \$100 early bird discount expiring on May 31st. It is advised to register soon on the event website to guarantee a place at <http://www.futuresoldierusa.com/einpress>

If you are US DoD: You will be granted free admission to the conference. In order to attend this event pre-registration is required, which is subject to final approval.
