

The Agenda for the 21st Annual Global MilSatCom Conference is Now Available

Smi Reports: SMi Group are delighted to release the agenda for the Global MilSatCom conference taking place on the 5th-7th November 2019 in London.

LONDON, UNITED KINGDOM, May 29, 2019 /EINPresswire.com/ -- The [21st Annual Global MilSatCom](#) conference and exhibition will be returning to London on the 5th-7th November 2019 alongside a Small Satellites and Disruptive Technology focus day on the 4th November 2019.

As Europe's leading military communications event for satellite professionals, [Global MilSatCom's](#) reputation has been built on the high-level international speakers and decision makers it attracts and the fantastic interactive opportunities offered during the conference sessions and networking receptions.

[Key themes](#) of the 2019 conference will be:

- Maintaining and sustaining space superiority
- Updates on the UK's SKYNET constellation
- Updates on international SATCOM programme developments – representation from every continent on earth (bar Antarctica)
- The enterprise wide reorganisation endeavours within the US DoD and its new and 'go fast' procurement efforts
- Allied collaboration and future partnerships
- Resilience and protection in future architectures
- Next generation LEO small sat constellations
- NATO procurement of allied bandwidth for future joint operations

The Agenda for the 3-day conference has been released today. Download from the SMi website at www.globalmilsatcom.com/ein

As Global MilSatCom celebrates its 21st anniversary, it is SMi's intention to build on the successes of last year which included:

- Attendance in 2018 alone grew by over 20% and now stands 150% higher than in 2005
- Military attendance grew to over 150 attendees last year, which has more than doubled since 2005
- Last year's event attracted the largest ever geographical spread in its history, with attendees from 35 countries in 2018

For those interested in attending, an early bird saving of £200 is available for bookings made before 28th June. You can register you place on the event website www.globalmilsatcom.com/ein
